## **Volunteer Students Bureau Executive Board Positions**

VSB is now accepting applications for the executive board. The main purpose of VSB is to provide students at Indiana University with outlets for engaging in community service. The organization plans several large-scale events during the course of the year, including the Children's Holiday Wish Program, the Dr. Martin Luther King, Jr. Day Fair of Fun, Senior Citizens' Prom, the Dogwash/Dogwalk, and the Kids Mania Science Fair. VSB also volunteers at several large-scale events in the community such as Homeward Bound: Indiana's 5K Walk to Provide Housing and Fight Homelessness and Relay for Life.

Every year VSB looks for hard-working and dedicated applicants to make up the Executive Board. ## **7) New policy regarding student organization names**

We are in the process of implementing a new policy regarding the names of student organizations. For example, if right now your organization's name reads as the "Indiana University I Love Student Activities," you will want to transition the "Indiana University" to after the group's name. The new policy

states that the organization names should read "I love Student Activities at Indiana University" as organizations are "at IU" not "of IU". The policy is below.

I hope that this change will not be difficult for your organizations. Please write to [sao@indiana.edu](mailto:sao@indiana.edu) with any questions.

"Indiana University – Bloomington recognizes and supports the development of all student organizations. Student organizations are not departments or administrative units of Indiana University, and therefore we require all student groups who choose to use the Indiana University or IU name to clearly indicate in their organizational title, constitution, and paraphernalia that they are "at Indiana University."

The purpose of this distinction is to ensure that outside organizations that do interact with student organizations are aware that their dealings are with the club or group and not with the University itself. Student organizations may use Indiana University *before* the title or name of their group only if the organization receives money from the Committee for Fee Review, has been approved for listing on the Bursar's registration checklist, or upon approval by the Dean of Students."

Time: 8 p.m.

Venue: IMU Gallery (By Starbucks Coffee Shop)

Description: In celebration of the 10th anniversary of the Asian Culture Center and the Hispanic Heritage month, we invite you to an evening of great music featuring the ELECTRIC KULINTANG artists Roberto Rodriguez on laptop electronics, cajon la peru, drums and Susie Ibarra on acoustic and electric kulintang, voice, and drums. Eight small round gongs lie horizontally in a rectangular box and shimmer to the touch of soft wooden sticks. The sound is intricate, playful, liquid, the tuning flexible and untethered to a specific scale. Now hand drums weave in, offering a loose countervailing beat. A laptop beams loops and samples from field recordings: traditional music groups, children at play, street noise, a call to prayer taped off a hazy transistor radio. ## Fall Campus Cleanup

**When:** Saturday November 2, 2008 2-5 PM

**Where:** Dunn Meadow

To organizations of Indiana University:

You and your organization are invited to participate in the Fall Campus Cleanup hosted by Civic Leadership Development. Civic Leadership Development is an organization which encourages Kelley School of Business students the opportunity to volunteer in the community, while promoting philanthropy, good citizenship, and social responsibility. Campus Cleanup is an opportunity for you to work alongside with other students, organizations, and community members to help clean up the campus. With your participation we hope to create awareness and a lasting impact on the Indiana University campus.

This will be our 7<sup>th</sup> time running a university-wide beautification project, but our first time for in the fall. We believe that it would be great to make the campus look its best for Parent's weekend (Nov. 8<sup>th</sup>) and know others feel the same. Come help us enhance the whole community's experience of fall this year by having a trash free environment. In years past we have had over 100 volunteers, and plan on even greater participation this year.

Campus Cleanup will last approximately three hours. The first two hours are dedicated to cleaning up around the campus. Members of different organizations will be paired together divided into 5 regions of the campus. Garbage bags, gloves, and tongs will be provided on site. During the last hour pizza and soft drinks will be served. It is a great way to promote your organization and show that they really care about the grounds.

Along with pizza and soft drinks there are other incentives to come out and help.

- There will be a raffle with prizes including gift certificates from your favorite local businesses. Each participant in the event is eligible for the raffle. Additional raffle tickets will be sold on site.
- This event is an opportunity for your organization to work with other clubs from all over Indiana University for a common cause. There are very few times during the year when all the student leaders of the University can get together and give back to the school and community.

In order to insure enough food and drinks for everybody, please confirm your organization's participation and the number of members you believe may attend by emailing me at [bpshore@indiana.edu](mailto:bpshore@indiana.edu), by October 27, 2008 or as soon as possible. Feel free to e-mail me with any questions or concerns.

Sincerely,

Brandon Shore
